During our lifetime, many of us have been touched by a single mom and the empowerment forum highlights a commitment to community, diversity, education, and economic empowerment for Single Mothers. The empowerment forum event is a reminder to all single moms that "Yes, You Can!" even when the odds say "No, You Can't."

The forum event offers economic development and expert empowerment speakers; Q & A session with the speakers; afternoon de-stress center (w/pamper services); amazing gift bags w/informational and empowering content. And, several Community Empowerment Leaders will be saluted for their continuous support and encouragement of other young women's success.

Your tax-deductible sponsorships and philanthropic donations play a significant role to ensure the success of Speak Up Empowerment Foundation, Inc. events.
