### **2017 Ms. Single Mom Empowerment Forum Sponsorship Information**

Following the overwhelming success of their 2016 event, the Speak Up Empowerment Foundation, Inc. (501(c)3), *in conjunction with* Sullivan International, Inc., is excitedly preparing for the upcoming 2017 Ms. Single Mom Empowerment Forum event.

The event location is the **Holiday Inn Conference Center** located at 2640 N. Lakewood Blvd.  
The date is **April 22, 2017** and event hours are from **10am to 3pm**.

The empowerment forum event includes: Morning and afternoon expert economic development & empowerment speakers; Press conference; Meet & greet receptions w/the panel speakers; FREE childcare, breakfast, and lunch; De-stress center with pamper services; Gift bags; and outstanding Community Empowerment Leader awards.

This event is an avenue for us all to make an impact on lives that are otherwise often overlooked, or brushed to the side.

**Most of our lives have been touched by a single mom at some point, and recent statistics support that nearly 25% of all the US households with children are headed by a single mother.**

In 2009, Robbie Butler introduced a book to specifically help the younger single mother succeed at this overwhelming task of parenting because too few have the direction and support that is required to develop a workable success strategy.

The “Ms. Single Mom – Yes, You Can!” book isn’t a promotion of single motherhood; instead, its aim is to empower the single mom using a compilation of easy to follow essays. The book promotes developing strategies to succeed as an effective parent, smart consumer, and savvy business person. The event will also celebrate almost ten years of the “Ms. Single Mom” book.
