

A photograph of a Marriott hotel at dusk. The building is illuminated, and the name 'Marriott' is visible on the top. In the foreground, there are palm trees and a multi-tiered fountain with water cascading down. The scene is lit with warm, golden light from the setting sun and artificial lights from the hotel and fountain.

The “Ms. Single Mom - Yes, You Can!” book...

- ▶ Ms. Robbie Butler’s easy to read comprehensive self-help reference book was created specifically to help the younger single mother succeed at this overwhelming task of parenting.
- ▶ Many younger moms don’t have the guidance, encouragement, and support that’s required to develop a workable success strategy.
- ▶ The “Ms. Single Mom - Yes, You Can!” book isn’t a promotion of single motherhood; instead, its aim is to simply empower the single mom with useful strategies to succeed as an effective parent, smart consumer, and savvy businessperson.
- ▶ The “Ms. Single Mom - Yes, You Can!” book will be offered to our event attendees free of charge.
