

A photograph of a Marriott hotel building at dusk. The building is illuminated, and the word "Marriott" is visible in large, glowing letters on the top left. In the foreground, there are several palm trees and a multi-tiered fountain with water cascading down. The sky is a deep blue, and the overall scene is lit with warm, golden light from the building and trees.

The WHY

- ✓ *This program is an avenue for us all to make an impact on lives that are otherwise often overlooked or brushed to the side.*
- ✓ Statistics support that nearly 25% of all U.S. households with children are headed by a Single Mom.

The Mission

The Speak UP Empowerment Foundation, Inc. is a 501.c.3 non-profit organization. Our mission is to provide training, support, and access to resources for female-headed single-parent families that reside in the Greater Long Beach Area, Orange County, Los Angeles County & surrounding communities.

- ▶ SUEF's President, Ms. Robbie Butler wanted to conceptually share critical wisdom and tools to build a support network - and help single moms gain and maintain the confidence and courage needed to pursue their dreams.
- ▶ Her first "Ms. Single Mom" book was an attempt to do that - she thought the book was an end, but quickly discovered it was just a beginning.
- ▶ Readers began to ask about a conference/seminar to bring single moms together for a day of learning and sharing.
- ▶ In response, SUEF's advisory board developed the inaugural Ms. Single Mom Empowerment Forum event in April 1916.

The Goal

This event is designed to celebrate and uplift single moms with an empowering program that isn't offered elsewhere.

- We find that most comparable existing programs have a narrow and specific focus whereas the annual Ms. Single Mom Empowerment Forum is much more inclusive.
- Our program offers single-parent female-headed families a full day of access to empowering business, educational, financial, family, health/wellness, and legal speakers along with other relevant resources, all in one setting.
- Food and parking are included in this cutting-edge program.
- Sponsor support provides an offsite state licensed childcare facility for children aged 3-11 years.

Our post event surveys have included these comments:

- ❑ “This event changed my life!”
- ❑ “This event saved my life!”
- ❑ “Please do this again next year!”

The “Ms. Single Mom!” books...

- ▶ Ms. Robbie Butler’s first book, “Ms. Single Mom - Yes, You Can!” is an easy-to-read comprehensive self-help reference book that was created specifically to help the younger single mother succeed at this overwhelming task of parenting. The book isn’t a promotion of single motherhood; instead, its aim is to empower the Single Mom with useful strategies to succeed as an effective parent, smart consumer, and savvy businessperson.
- ▶ Ms. Butler’s second book, “Ms. Single Mom - Elevate Your Game” offers insight into a mindset of strategy and includes tools such as SMART Goal Setting and Time Management to help single moms elevate to the next level of success in their process. Thanks to our **Education Sponsors**, the “Ms. Single Mom” books are offered free of charge during the event to our in-person Empowerment Forum attendees.
